A Personal Message from MP Shaun Chen 陳聖源

As the Member of Parliament for Scarborough North, I am pleased to extend my warmest greetings to the organizers and attendees of the film and dinner to commemorate the 100th Anniversary of the Chinese Exclusion Act.

Today's event represents a space for community members to acknowledge the harms caused by the Chinese Exclusion Act, a dark page in Canadian history. During a time where we are witnessing a rise in Anti-Asian racism, we must stand against the wrongs of the past and prevent further discrimination for future generations.

I congratulate the organizers for their efforts in supporting the community and creating a positive cultural impact. Events such as this one are crucial for honouring the lives and families that were so greatly affected by this injustice.

Please accept my best wishes for a most successful event.

Sincerely,

Shaun Chen 陳聖源
